

LOCHMERE COMMITTEES BEING FORMED

TO All Residents,

The Lochmere HOA Board wishes to establish a Social Committee and a Decorating Committee.

The Social Committee would be charged with the responsibility of hosting events throughout the year to include the Annual Meeting, the Summer Fest and the Ice Cream Social plus any other social events in which the committee may have an interest. The responsibility of the committee will primarily be scheduling and planning.

The decorating committee will be charged with decorating the Lochmere Drive main entrance and the Katerina entrance sign when completed. Expectation would be that on most major holidays the entrances would be decorated in a fitting manner to reflect the holiday of the month or the season we are celebrating.

Funding for the activities of these two committees will be the responsibility of the Lochmere Board, as both committees will be provided an annual budget amount on which to operate. If interested in participating, please indicate same on or before November 7

th, 2022, by forwarding an email to timvelie2013@gmail.com or sending a note to Tim Velie at 2208 Christopher Court, Morristown, TN 37814. Soon after the November 14th LHOA Board meeting, an organization meeting for each committee will be held.
