and enjoyment of the common area including, without limitation, the pool area and common area parking.

Every member of the Association shall as owner of one or more lots have a right and non-exclusive easement and right-of-way for ingress and egress from and to the common area.

(b) The right of the Association to suspend the voting rights and right to use of the common area by a member for any period during which any assessment against such member's lot remains delinquent or for any period that such member is in violation of the covenants, conditions and restrictions of this declaration.

COVENANT FOR MAINTENANCE AND ASSESSMENTS

Section 1: ASSESSMENT AND MAINTENANCE

RESPONSIBILITIES. Each owner of a lot, notwithstanding non-use of the Common Area or abandonment of his lot, shall pay annual assessments for the maintenance and upkeep and repair of the easements and any and all sewer and water lines now or hereafter servicing the lot and any utility or electrical installation servicing more than one lot; the maintenance and upkeep of fixtures, improvements, roads, streets, lawns, drainage areas, landscaping and shrubs on the property in common areas; the payment of any taxes on the common area; the maintenance of insurance on the common area improvements, and any such other insurance as may be required by action of the Board of Directors of the Association; the provision of exterior maintenance, hereafter defined; and for such other repairs or improvements or capital improvements, as are deemed necessary or desirable by the Board of Directors. Capital improvements assessments, however, shall require the consent of two-thirds of the members as well as the consent of the Board of Directors, and shall be a separate assessment. Capital improvements shall include, but not be limited to, construction, reconstruction, repair or replacement of any capital improvement upon the common area, including fixtures or personal property related thereto. The Association shall establish and maintain an adequate reserve for periodic maintenance, repair, and replacement of improvements to the common areas the Association is obligated to maintain. This fund shall be maintained from regular assessments for common expenses.

Section 2: CHANGES IN ASSESSMENTS. The annual assessments may be increased or decreased by the Board of Directors as required. If the Association incurs ongoing common expenses, it shall be the duty of the Board at least thirty (30) days prior to the Association's annual meeting to prepare a budget covering the estimated common expenses of operating the Association for the coming year; such budget shall include a capital contribution or reserve account in accordance with the capital needs of the Association. The budget and the proposed annual assessments to be levied against each Lot or Unit shall be delivered to each Owner no later than ten (10) days prior to such annual meeting. The budget and the annual assessments shall become effective unless disapproved at the annual meeting by a vote of a majority of the Owners voting in person or by proxy at such meeting. In the event the proposed budget is not approved or the Board fails for any reason to determine the budget for the succeeding year, then until a budget has been determined as provided herein, the budget and annual assessments in effect for the current year shall continue for the succeeding year. If any budget at any time proves inadequate for any reason, the Board may call a meeting of the Association for the approval of a special assessment.

Section 3: UNIFORM RATE OF ASSESSMENT. Both annual and capital improvement and other assessments shall be fixed at a uniform rate for all improved lots and shall be collected on **an annual or** a semi-annual basis in advance.

Section 4: LIEN FOR ASSESSMENTS. To secure payment of all monthly assessments and capital improvement assessments or other assessments provided for in this Article, together with any costs or reasonable attorney fees incurred in collection, the Association shall have a lien on each lot and all improvements located thereon, which lien shall bind the owner of the lot and his successors and assigns and shall encumber the lot, but shall be inferior and subordinate to the lien of any deed of trust or mortgage placed on any such lot, or the improvements thereon, in connection with any construction or permanent loan relating thereto. When an assessment is more than thirty (30) days past due, the Association may file its Notice of Lien in the Register's Office for Hamblen County, Tennessee.

Section 5: REMEDIES FOR NON-PAYMENT. Subsequent to recordation of a Notice of Lien for assessments unpaid, the lien for those assessments may be enforced by the Association, its attorney, or agent so authorized, in accordance with the provisions of Tennessee laws applicable to the foreclosure of liens, or in any other manner permitted by law. Suit to recover a money judgment for unpaid assessments, common expenses, attorney fees, and other costs shall be maintainable without filing the Notice of Lien, foreclosing or waiving the lien securing the same. The Board may suspend the voting rights and the right to use of the common areas of a member who is in default in payment of any assessment (e.g., liens, fines, unpaid dues). Additionally, if any assessment remains unpaid for a period of ten (10) days after the due date, if not forbidden by law, the Board may assess a ten percent (10%) late fee of the amount due, as well as a five percent (5%) per annum interest charge (or the maximum lawful rate) from the date of delinquency on the amount due.

Section 6: NOTICE TO MORTGAGEE. The mortgagee of any lot shall be notified of any default of the owner of such lot with respect to non-payment of such owner's assessment or any other charge which might constitute or result in a lien against the lot when default continues and the assessment or charge remains unpaid for a period of thirty (30) days.

Section 7: EFFECT OF TRANSFER. No sale or transfer of an interest in a lot shall affect the lien of assessments except, however, sale or transfer pursuant to foreclosure of a mortgage shall extinguish the lien as to payments due prior to such sale or transfer. No sale or transfer pursuant to foreclosure of a mortgage shall operate as a release of liability for any assessments thereafter due or the lien therefor. In any event the owner shall be personally liable for any unpaid assessments, costs and reasonable attorney fees incurred in collection.

Section 8: FISCAL YEAR, MEMBERSHIP AND ANNUAL ASSESSMENTS. The fiscal year for the Association shall begin on January 1 and end on December 31. A pro rated portion of the semi-annual payments shall be due and membership shall begin on the day that ownership in Lochmere begins. Upon a person or entity's ceasing to be a Member of the Association, such Member shall not be entitled to any refund of his annual assessment.

Section 9: EXEMPT PROPERTY. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (b) all Common Area; and (c) all properties exempted from taxation by state or local governments upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

Section 10: CONTIGUOUS LOTS. Contiguous lots are two lots that are adjacent to each other and one of the lots contains the owner's residence. Owners of a contiguous lot attached to the lot where the owner's house is located will be assessed one half of the Association's annual lot assessment for that contiguous lot only. The one half normal fee assessment is allowed on one contiguous lot only. If the owner then sells or otherwise transfers the contiguous lot apart from the owners's house or treats the said contiguous property as a separated lot, then from that point forward the owner or assignee shall be responsible for the payment of the normal annual assessment amount that would be due to the Association.

(a) Or, the owner of a contiguous lot may elect to have only one contiguous lot joined permanently to the lot on which the owner's house is located by obtaining an authorized resurvey which unites the two properties and receives the approval for such a union by action of the city of Morristown. From that point on, the united property would be regarded as a single lot and assessed one normal fee. If the owner or any assignees thereafter should re-divide the united lot, then from that point forward the owner or assignee shall be responsible for the payment of the normal annual assessment amount that would be due to the Association.

(b) Beginning (month) (day), 2017, the assessment for a permanently joined contiguous lot will be one half the normal fee assessment. Any contiguous lots that were permanently joined before this date are grandfathered in on assessment.

ARTICLE IV.
MAINTENANCE

Section 1: ASSOCIATION'S RESPONSIBILITY. Except as otherwise provided for herein, the Association shall maintain and keep in good repair all portions of the Common Area and improvements thereon, if any. The Association's responsibility with respect to the Common Area shall be deemed to include the maintenance, repair and replacement of (i) walks, parking areas and buildings and other improvements, if any, situated within the Common Area; (ii) such utility lines, pipes, plumbing, wires, conduits and systems which are a part of the Common Area; and (iii) all lawns, trees, shrubs, hedges, grass and other landscaping situated within or upon the Common Area.

Section 2: OWNER'S RESPONSIBILITY. Each Owner of a Lot or Unit, whether vacant or occupied, shall keep and maintain his Lot or Unit and the exterior of any and all improvements located thereon in a neat, attractive and safe condition. Such maintenance shall include, but shall not be limited to, painting, repairing, replacing and care for roofs, gutters, down spouts, building surfaces, walks and other exterior improvements. Should any Owner of a Lot or Unit fail to maintain his Lot or Unit or the improvements thereon as set forth hereinabove, the Review Board, its agents and representatives, may, after thirty (30) days written notice to the Owner of such Lot or Unit, enter upon his Lot or Unit for the purpose of removing garbage or trash, or for performing such exterior maintenance as the Review Board, in the exercise of its sole discretion, deems necessary or advisable. Such Owner shall be personally liable to the Review Board and the Association for the direct and indirect cost of such maintenance, which costs shall be added to and become part of the assessment to which such Owner and his Lot or Unit are subject. Although notice given as herein provided shall be sufficient to give the Review Board, its agents and representatives, the right to enter upon such Unit and perform such maintenance, entry for such purpose shall be only between the hours of 9:00 a.m. and 5:00 p.m. on any day except Sunday. The provisions hereof shall not be construed, however, as an obligation on the part of the Review Board to provide garbage or trash removal service, or to perform such exterior maintenance.

ARTICLE V.

EASEMENTS

Section 1: UTILITY EASEMENTS. There is hereby created in favor of the Association and any governmental unit, utility, or service provider an easement upon, across, over, through and under all of the Common Area for ingress, egress, installation, replacement, repair and maintenance of all utility and service lines and systems, including but not limited to, water, sewers, gas, telephones, electricity, television, cable or communication lines and systems. An easement is further granted to the Association, its officers, agents, employees and any management company retained by the Association, to enter in or to cross over the Common Area and the Lots or Units, to inspect and to perform the duties or maintenance and repair of the Common Area and the Lots or Units, as provided for herein. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on the Property except as initially programmed and approved by the Developer or thereafter approved by Developer or the Board as otherwise provided by law. Should any utility furnishing a service covered by this general easement herein request a specific easement to be recorded in a separate document, Developer or the Association shall have the right to grant such easement on the Common Area.

Section 2: EASEMENTS FOR DEVELOPER. Developer hereby reserves for itself, its successors and assigns, the following easements and rights-of-way in, on, over, under and through any part of the Property owned by Developer and the Common Area for so long as Developer owns any Lot or Unit primarily for the purpose of sale:

Section 1: RESIDENTIAL USE. All Lots and Units in Lochmere Development shall be restricted exclusively to residential use. No Lot or Unit, or any portion thereof, shall at any time be used for any commercial, business, or professional purpose; provided, however, that nothing herein shall be construed to prohibit or prevent Developer or any builder of residences in Lochmere from using any Lot or Unit owned by Developer or such builder for the purpose of carrying on business related to the development, improvement and sale of Lots or Units in Lochmere. Lots 40-44 and 127-166 shall be restricted exclusively to the construction of detached, single family residences. (b) No rubbish or debris of any kind shall be dumped, placed or permitted to accumulate upon any portion of an Owner's Lot or Unit so as to render the same unsanitary, unsightly or offensive. No nuisance shall be permitted to exist

The Review Board may, as a condition of approval of such plans and specifications, require the use of certain means of preventing and controlling such erosion or siltation. Such means may include (by way of example and not of limitation) physical devices for controlling the run-off and drainage of water, special precautions in grading and otherwise changing the natural landscape and required landscaping as provided for in Section 5.

Section 5: LANDSCAPING. No construction or alteration of any Structure shall take place without the prior written approval by the Review Board of plans and specifications for the landscaping to accompany such construction or alteration.

Section 8: SETBACKS. No Structure shall be erected or placed on any Unit unless its location is consistent with such setbacks.

Section 9: FENCES AND WALLS. Hedges, berms and other landscape alternatives are preferred. However, in keeping with the desire of some residents for privacy, fences and walls will be permitted on a restricted basis that will not detract from the overall appearance. (l) The enclosed, heated living area (exclusive of garages, carports, porches, terraces, bulk-storage and basement) of one-story detached single family residences shall contain not less than 1,400 (fourteen hundred) square feet; for condominiums, the enclosed, heated living area shall contain not less than 900 (nine hundred) square feet. No dwelling shall be constructed exceeding three stories in height on any Lot or Unit.

(m) Utility Service. No lines, wires or other devices for communications purposes, including telephone, television, data and radio signals, or for transmission of electric current or energy shall be constructed or placed on any homesite unless the same shall be in or by conduits or cables constructed, placed and maintained underground or concealed in, under or on buildings, or other approved improvement. Above ground electrical transformers and other equipment may be permitted if properly screened and approved by the Review Board. If such approval is given, such system must be located, constructed and equipped in accordance with the requirements, standards and recommendations of federal, state and local public health authorities, and all necessary approvals of such system as installed shall be obtained from such authorities at the sole cost and expense of the Owner of the Unit to be served by such system.

Section 19: TREES AND SHRUBS. No trees measuring eight (8) inches or more in diameter at a point two (2) feet above ground level, no flowering trees or shrubs, nor any evergreens on any Lot or Unit may be removed without the prior approval of the Review Board unless located within ten (10) feet of the approved site for a dwelling or within the right-of-way of driveways or walkways.

ARTICLE VIII.

REVIEW BOARD ("RB")

Section 1: PURPOSE, POWERS AND DUTIES OF THE REVIEW BOARD. The purpose of the Review Board, also referred to as "RB," is to assure that the installation, construction or alteration of any Structure on any Unit or Lot is submitted to the Review Board for approval, (i) as to whether the proposed

installation, construction, or alteration is in conformity and harmony of external design and general quality with the existing standards of the neighborhood and with the standards of the development of the Property; and (ii) as to the location of the Structures with respect to topography, finished ground elevation and surrounding Structures. To the extent necessary to carry out such purpose, the RB shall have all of the powers and duties to do each and every thing necessary, suitable, convenient or proper for, or in connection with or incidental to, the power and duty to approve or disapprove plans and specifications for any installation, construction or alteration of any Structure on any Unit or Lot.

Section 2: SUBMISSION OF PLANS AND SPECIFICATIONS. No Structure shall be commenced, erected, placed, moved onto or permitted to remain on any Unit or Lot, nor shall any existing Structure upon any Unit or Lot be altered in any way which materially changes the exterior appearance of the Structure or Lot, unless plans and specifications therefor shall have been first submitted to and approved in writing by the Review Board. Such plans and specifications shall be in such form and shall contain such information as may be reasonably required by the Review Board, including, without being limited to:

(a) a site plan showing the location of all proposed and existing Structures on the Unit or Lot, including building setbacks, open space, driveways, walkways and parking spaces including the number thereof;

(b) floor plans;

(c) exterior elevations of all proposed Structures and alterations to existing Structures, as such Structures will appear after all back-filling and landscaping are completed;

(d) specifications showing the nature, kind, shape, height, materials, basic exterior finishes and colors of all proposed Structures and alterations to existing Structures, and also showing front, side and rear elevations;

(e) plans for landscaping and grading;

(f) samples of building and paint materials to be used. **Note: on other than fascia or soffits, use of aluminum, vinyl, or shake siding is restricted to roof gable or dormer areas and is to account for no more than 20% of the structure siding material.**

Section 3: APPROVAL OF BUILDERS. Any builder or landscaper, prior to performing any work on any Unit or Lot on the Property, must first be approved by the RB as to financial stability, building or landscaping experience and ability to build or landscape Structures or grounds of the class and type of those which are to be built on the Property. Such approval shall be within the sole discretion of the RB.

Section 4: APPROVAL AND DISAPPROVAL OF PLANS AND SPECIFICATIONS.

(a) The RB shall have the right to approve or disapprove any plans and specifications submitted to it in its sole and uncontrolled discretion, which approval or disapproval may be based upon any grounds, including purely aesthetic considerations which shall be deemed sufficient.

(b) Upon approval by the RB of any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specifications, as approved may be deposited for permanent record with the RB and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval of any plans and specifications for use in connection with any Unit, Lot or Structure shall not be deemed a waiver of the RB's right, in its sole discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with other Lots or Structures. Approval of any such plans and specifications relating to any Unit, Lot or Structure, however, shall be final as to that Unit, Lot or Structure and such approval may not be revoked or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval.

(c) Neither Developer nor any member of the RB shall be responsible or liable in any way for any defects in any plans or specifications approved by the RB, for any structural defects in any work done according to such plans and specifications approved by the RB. Further, approval of plans and specifications by the RB shall not be deemed to represent or warrant to any Person the quality, function or operation of the Structure or of any construction, workmanship, engineering, materials or equipment. Neither Developer nor any member of the RB

shall be liable in damages or in any other respect to anyone submitting plans or specifications for approval under this Article, or to any Owner, or to any other Person having an interest in any of the Property by reason of mistake in judgment, negligence, misfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. By submission of such plans and specifications to the RB, every Owner of any Unit or Lot releases and agrees to hold harmless and to defend Developer and any member of the RB from any such alleged liability, claim and/or damage.

Section 5: OBLIGATION TO ACT. The RB shall take action on any plans and specifications submitted as herein provided within fifteen (15) **business** days after receipt thereof. Approval by the RB, if granted, together with any conditions imposed by the RB, shall be placed in writing on the plans and specifications and shall be returned to the applicant. Failure by the RB to take action within fifteen (15) **business** days of the receipt of plans and specifications submitted for approval shall be deemed approval of such plans and specifications.

Section 6: RIGHT OF INSPECTION. The RB, its agents and representatives, shall have the right during reasonable hours to enter upon and inspect any Unit, Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration or maintenance of any Structure or the use of any Unit, Lot or Structure is in compliance with the provisions of this Declaration; and the RB shall not be deemed to have committed a trespass or other wrongful act solely by reason of such entry or inspection.

Section 7: VIOLATIONS.

(a) If any Structure shall be erected, placed, maintained or altered upon any Unit or Lot, otherwise than in accordance with the plans and specifications approved by the RB pursuant to the provisions of this Article, such erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required herein. If in the opinion of the RB such violation shall have occurred, the RB shall be entitled and empowered to enjoin or remove any such construction. Any costs or expenses incurred by the RB in enjoining and/or removing any construction or

improvement shall be added to and become a part of the assessment to which the Owner and his Unit or Lot are subject.

(b) The RB shall provide written notice to the Owner by certified mail, **regular mail, and/or receipt of verified email**, setting forth in reasonable detail the nature of the violation and the specific action or actions required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedial action within twenty (20) **business** days after the mailing of the aforesaid notice of violation, then the RB shall have the right of abatement as provided in Section I (b) of Article XII hereof. In addition to the right of abatement, the Board, upon being informed of such violation by the RB, shall be entitled to seek equitable relief to enjoin such construction.

Section 8: CONDUCT. All Builders and Homeowners shall be held responsible for the acts of their employees, sub-contractors, suppliers and other persons or parties involved in construction or alteration of a homesite. In this regard, a Builder or Homeowner shall be responsible for the following:

- (a) Ensuring that the construction site is kept clean and free of debris and waste materials, and that stockpiles of unused materials are kept in a neat and orderly fashion;
- (b) Prohibiting the consumption of alcoholic beverages, illegal drugs or other intoxicants that could hamper the safety or well-being of other personnel on the site or affect the quality of workmanship;
- (c) Assuring that the aforementioned are properly insured;
- (d) Assuring that the aforementioned do not commit any violation of the rules and regulations of Lochmere;
- (e) Ensuring that all driveways on the construction site are sufficiently graveled, and any mud or any debris caused by the construction are removed from the adjoining roadways as soon as reasonably possible. Further, silt fences shall be installed as required to keep silt, mud, and other debris off the street.

Section 9: GOVERNMENT REGULATIONS. Nothing contained herein abrogates, modifies, or changes the applicability of any ordinances, statutes, codes, rules and regulations of the City of Morristown or other governmental units as applicable and the necessity of obtaining a building permit, inspection or

otherwise complying with applicable provisions of governmental codes, statutes, ordinances, rules and regulations.

ARTICLE IX.

BOARD OF DIRECTORS

Section 1: COMPOSITION. The affairs of the Association shall be governed by the Board. The Board shall be composed of not less than three (3) persons, nor more than ten (10) persons. The directors shall be owners of units or lots or spouses of such owners; provided, however, that no owner and his or her spouse may serve on the Board at the same time. The precise number of directors shall be fixed from time to time by resolution of the Board.

Section 2: NOMINATION. Nomination for election to the Board shall be made by a nominating committee which shall consist of three (3) members appointed by the President to serve from the close of one annual meeting to the close of the succeeding annual meeting. Such appointment shall be announced at the annual meeting. The nominating committee may nominate any number of qualified individuals, but no less than the number of directors to be elected. The nominations shall be made at least twenty-one (21) days prior to the annual meeting and a brief statement about the qualifications of each individual so nominated shall be included with the notice of the annual meeting. Nominations shall also be allowed from the floor at the meeting. Failure to comply with the provision hereof shall in no way invalidate the election of directors so nominated.

Section 3: ELECTIONS AND THE ANNUAL MEETING. The annual meeting shall be held **on the first Saturday of May or other date as designated by the Board with a 30-day notice. The notice will also serve as 30-day notification of a subsequent annual meeting that is to be called if the quorum is not met.** Directors to be elected by the members shall be elected by a majority vote at the annual meeting from those nominated. A quorum must be present. For the purpose of electing a Board of Directors, a quorum shall be deemed present when fifty percent (50%) of all votes are present in person or by proxy. If the required quorum is not present, an adjourned annual meeting shall be called subject to the same notice requirements as set forth for the annual meeting, and the required quorum at the subsequent meeting shall be one half (1/2) of the required quorum at

the preceding meeting. **Since the 30-day notice was given, the meeting will reconvene and a subsequent annual meeting will be held at that time.** No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 4: TERM OF OFFICE. **The Directors shall be generally elected for a three-year term as provided in Section 3 of this Article. Expiration of Directors' terms of office are to be staggered so as to provide that no more than one third of the members comprising the Board is up for election each year.**

Directors elected to fill an unexpired term shall serve for the remainder of that term. Nothing in this article shall be construed to prevent any member from being re-nominated and serving additional terms as a director.

Section 5: REMOVAL OF DIRECTORS. At any regular or special meeting of the Association duly called, any one or more of the directors may be removed with or without cause by a majority vote of the members of the Association and a successor may then and there be elected to fill the vacancy thus created. Any director whose removal has been proposed by the members shall be given at least ten (10) days' notice of the calling of the meeting and the purpose thereof and shall be given an opportunity to be heard at the meeting.

Section 6: VACANCIES. Vacancies in the Board caused by any reason, including the addition of a new director or directors but excluding the removal of a director by vote of the Association, shall be filled by a vote of the majority of the remaining directors, even though less than a quorum, at any meeting of the Board for the remainder of the term of the director being replaced. Said director shall serve until a successor shall be elected at the next annual meeting of the Association to fill the unexpired portion of the term.

Section 7: COMPENSATION. Directors shall not be compensated unless and to the extent the members of the Association authorize at any meeting duly called for that purpose.

Section 8: REGULAR MEETINGS. Regular meetings of the Board may be held at such time and place as shall be determined from time to time by the Board, but such meetings shall be held at least once every three months. The Board shall meet within ten (10) days after each annual meeting of members.

Section 9: SPECIAL MEETINGS. Special meetings of the Board may be called by the President on three (3) days' notice to each director given by mail, in person or by telephone, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board shall be called by the President, Secretary or Treasurer in like manner and on like notice on the written request of at least two (2) directors.

Section 10: QUORUM. A quorum of directors shall be deemed present throughout any Board meeting at which a majority of the directors are present at the beginning of such meeting.

Section 11: CONDUCT OF MEETINGS. The President shall preside over all meetings of the Board and the Secretary shall keep a minute book recording therein all resolutions adopted by the Board and a record of all transactions and proceedings occurring at such meetings. Roberts Rules of Order (latest edition) shall govern the conduct of the meetings of the Board when not in conflict with the Declaration or these By-Laws.

Section 12: ACTION WITHOUT A MEETING. Any action by the Board required or permitted to be taken at any meeting may be taken without a meeting if all the directors consent in writing (**email acceptable**) to such action. Such written consent or consents shall be **detailed in** the minutes of the Board.

Section 13: POWERS AND DUTIES. The Board shall exercise for the Association all powers, duties and authority vested therein by the Declaration of these By-Laws, except for such powers, duties and authority reserved thereby to the members of the Association or the Developer. The Board shall have the following powers and duties:

- (a) to elect and remove the officers of the Association as hereinafter provided;
- (b) to administer the affairs of the Association;
- (c) to engage the services of an agent (hereinafter sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Area of Common Responsibility or any part thereof for all of the lot owners, upon such terms and for such compensation as the Board may approve, including a Managing Agent which is affiliated with one or more directors, or the Developer, or both;

(d) to administer, manage and operate the Area of Common Responsibility and recreational facilities thereon and to formulate policies therefor;

(e) to adopt rules and regulations, with written notice thereof to all unit or lot owners, governing the details of the administration, management, operation and use of the Area of Common Responsibility and any recreational facilities located thereon, and to amend such rules and regulations from time to time;

(f) to provide for the operation, care, upkeep, maintenance, repair, replacement, and improvement of the Area of Common Responsibility and any recreational facilities located thereon and payments therefor, and to approve payment vouchers or to delegate such approval to the officers of the Association or the Managing Agent;

(g) to obtain adequate and appropriate kinds of insurance to protect the Association and/or members of the Board of Directors or members of committees appointed by the Board of Directors including the RB and other insurance as provided by Article VII of the Declaration;

(h) to engage or contract for the services of others, and to make purchases for the maintenance, repair, replacement, administration, management and operation of the Area of Common Responsibility and any recreational facilities located thereon, and to delegate any such powers to a Managing Agent (and any employees or agents of a Managing Agent);

(i) to appoint committees and to delegate such committees the Board's authority to carry out certain duties of the Board;

(j) to determine the fiscal year of the Association and to change said fiscal year from time to time as the Board deems advisable;

(k) to estimate the amount of, prepare, adopt and distribute the budget for the Association not less frequently than annually, to provide the manner of assessing, levying on and collecting from the unit or lot owners the annual and special assessments, and to levy fines against one or more occupants in accordance with the Declaration, **said fines to be assessed in accordance with the attached list of major violations, with late fees and annual interest to be assessed and begin accruing after a thirty (30) day notice of the fine.**

(l) to keep detailed, accurate records of the receipts and expenditures affecting the use and operation of the Area of Common Responsibility and any recreational facilities located thereon;

(m) to bid and purchase, for and on behalf of the Association, any lot, or interest therein, at a sale pursuant to a mortgage foreclosure, a foreclosure of the lien for annual assessments, special assessments or both, or any order or direction of a court, or at any other involuntary sale;

(n) to make such mortgage arrangements and special assessment proportionately among the respective unit or lot owners, and other such financing arrangements, as the Board may deem desirable, in order to close and consummate the purchase or lease of a unit or lot, or interest therein, by the Association; provided, however, that no such financing arrangement shall be secured by an encumbrance on any interest in the Property other than the unit or lot, or interest therein, to be purchased or leased;

(o) to act in a representative capacity in relation to matters involving the Area of Common Responsibility or more than one unit or lot, on behalf of the unit or lot owners, as their interests may appear;

(p) to enforce by legal means the provisions of the Declaration and these By-Laws with respect to the Property;

(q) to renew, extend or compromise indebtedness owed to or by the Association;

(r) at its discretion, to authorize occupants to use the Common Area and any recreational facility located thereon for private parties and gatherings and, at its discretion, to impose reasonable charges for such private use;

(s) unless otherwise provided herein or in the Declaration, to comply with the instructions of a majority of the unit or lot owners as expressed in a resolution duly adopted at any annual or special meeting of the Association;

(t) the Association shall (i) have all powers permitted to be exercised by a nonprofit corporation and (ii) have and exercise all powers necessary or convenient to effect any or all of the purposes for which the Association is organized, and to do every other act not inconsistent with law which may be appropriate to promote and attain the purposes set forth in the Declaration and these By-Laws.

Section 14: NONDELEGATION. Nothing in this Article or elsewhere in these By-Laws shall be considered to grant to the Board, the Association or to the officers of the Association any powers or duties which, by law, have been delegated to the unit or lot owners.

ARTICLE X.

OFFICERS

Section 1: DESIGNATION. At each regular or adjourned annual meeting of the Board after the unit or lot owners elect the Board, the directors present at said meeting shall elect the following officers of the Association by a majority vote:

(a) a President who shall be a director and who shall preside over the meetings of the Board and of the unit or lot owners, and who shall be the chief executive officer of the Association, **and who shall vote to break ties, and shall serve as an ex-officio member of all committees;**

(b) a Secretary, who shall keep the minutes of all meetings of the Board and of the lot owners and shall be designated as the officer to mail and receive all notices served by or upon the Board or the Association and execute amendments to the Declaration and these By-Laws, and shall, in general, perform all the duties incidental to the office of Secretary, and may, **at the Board's discretion, delegate duties as deemed practical and possible to a representative of an independent outside Managing Agent or independent contractor retained by the Board.**

(c) a Treasurer, who shall be responsible for financial records and books of account and the manner in which such records and books are kept and reported; provided, however, that the duties of the Treasurer may be performed by an employee or independent contractor retained by the Board.

Section 2: POWERS. The respective officers shall have the general powers usually vested in such officers; provided that the Board may delegate any specific powers to any other officer or impose such limitations or restrictions upon the powers of any officer as the Board may see fit.

Section 3: TERM OF OFFICE. Each officer shall hold office for the term of **three (3) years** and until his successor shall have been appointed or elected and qualified.

Section 4: VACANCIES. Vacancies in any office shall be filled by the Board by a majority vote at a special meeting of said Board. Any officer so elected by the Board to fill a vacancy shall hold office for a term equal to the unexpired term of the officer he succeeds.

Section 5: COMPENSATION. The officers shall receive no compensation for their services as officers, unless expressly provided for in a resolution duly adopted by the lot owners at a meeting duly called for that purpose.

ARTICLE XI.

MEMBERSHIP AND VOTING RIGHTS

Section 1: MEMBERSHIP. Every Owner of a Lot or Unit which is subject to this Declaration shall be a mandatory member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot or Unit which is subject to this Declaration and shall pass automatically to an Owner's successor-in-title to the Lot or Unit.

Section 2: VOTING RIGHTS. All Owners shall be entitled to one vote for each Lot or Unit owned. When more than one Person holds an interest in any Lot or Unit, all such Persons shall be members. The vote for such Lot or Unit shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot or Unit.

Section 3: ELIGIBILITY. **In order to be eligible to vote, the member must be in "good standing," having no property lien or financial debt owed to the Association.**

ARTICLE XII.

GENERAL PROVISIONS

Section 1: ENFORCEMENT. (a) The Association, the Review Board, or any Owner, shall have the right to enforce, by and proceeding at law or in equity, all restrictions, conditions, covenants, reservations, easements, liens and

charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association, the Review Board or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

(b) The Review Board shall have the right of abatement in all cases where an Owner of a Lot or Unit shall fail to take reasonable steps to remedy a violation or breach of any restriction contained in this Declaration within twenty (20) days after the certified mailing of written notice of such violation or breach. The right of abatement means the right of the Review Board, through its agents and employees, to enter at all reasonable times upon any Lot or Unit or Structure as to which a violation or breach exists, and to take such action or actions specified in the notice to the Owner to abate, extinguish, remove or repair such violation or breach, all without being deemed to have committed a trespass or wrongful act by reason of such entry and such actions. Further, the Review Board, the Association, the Developer, or any Owner may: (1) prosecute proceeding at law for the recovery of damages against those violating or attempting to violate the declaration of covenants and restrictions, and, or (2) maintain a proceeding in equity against those so violating or attempting to violate any covenants or restrictions, for the purpose of preventing or enjoining any such violations or attempted violations, and/or to have any such violation removed from the lot or unit or cured.

(c) The remedies contained in this section shall be construed as cumulative of all other remedies now or hereafter provided by law. If the Association, the Review Board, the Board or any other person or persons owning a lot or unit shall successfully prosecute in law or equity an action pursuant to this or any other enforcement section of these covenants or restrictions, then that party shall be entitled to receive its reasonable attorney's fees and the costs reasonably necessary to prosecute the case against the party violating the covenants and restrictions herein.

Section 2: SEVERABILITY. If any provision of the Declaration, or any paragraph, subparagraph, article, section, sentence, clause, phrase, word or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Declaration and the application of any such provision, paragraph, subparagraph, article, section, sentence, clause, phrase or word in any other

circumstances shall not be affected thereby and the remainder of this Declaration shall be construed as if such invalid part were never included therein.

Section 3: HEADINGS. The headings of articles and sections in this Declaration are for convenience of reference only and shall not in any way limit or define the content or substance of such articles and sections.

Section 4: DURATION. The covenants and restrictions of this Amended Declaration shall run with and bind the land for a period of twenty (20) years from the date that this **Amended** Declaration is recorded, at the end of which period such covenants and restrictions shall be automatically extended for the successive periods of ten (10) years each, unless at least two-thirds (2/3) of the Owners at the time of the expiration of the twenty (20) year period, or of any extension period, shall sign an instrument in which said covenants and restrictions are modified in whole or in part, which instrument is filed of recorded in the appropriate county.

Section 5: RIGHTS AND OBLIGATIONS. Each grantee of the Developer or Association, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in the Property or any portion thereof, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

Section 6: NOTICES. Notices provided for in this Declaration shall be in writing and shall be addressed to any Owner at his Lot or Unit or at such other address as hereinafter provided. Notices to the Association shall be in writing and shall be addressed to **Lochmere HOA, P.O. 2272, Morristown, TN 37816-2272** or at such different address as disclosed in a written notice of change of address furnished to all Owners. Any Owner may designate a different address for notices to him by giving written notice to the Association. All notices to Owners and the Association shall be deemed delivered upon mailing by United States registered or certified mail, return receipt requested, or when delivered in person.

Section 7: WAIVER AND MODIFICATION. (a) The Association hereby reserves the right in its absolute discretion at any time to annul, waive, change or modify any of the restricting conditions or covenants contained herein as to any part of Lochmere, and shall have further the right before a sale to change the size of or locate or relocate any of the Lots, Units, parcels, streets, or roads shown on any of the plats of Lochmere. Further, the Association may amend these covenants and restrictions for the purpose of curing any ambiguity or inconsistency between the provisions contained herein.

(b) Declaration. Further, this Declaration may be amended at any time and from time to time by the Association by an agreement signed by at least **two-thirds** of the Owners of Lots or Units. Any such amendment shall not become effective until the instrument evidencing such change has been filed of record. Every purchaser or grantee of any interest in any real property made subject to this Declaration, by acceptance of a deed or other conveyance thereof, thereby agrees that this Declaration may be amended as provided in this Section.

Section 8: ASSIGNMENT OR TRANSFER. Any or all of the rights and powers, titles, easements and estates reserved or given to Developer in this Declaration may be assigned to any one or more corporations or assigns which will agree to assume said rights, powers, duties and obligations and carry out and perform the same. Any such assignment or transfer shall be made by appropriate instrument in writing in which the assignee or transferee shall join for the purpose of evidencing its acceptance of such rights and powers, and such assignee or transferee shall thereupon have the same rights and powers and be subject to the same obligations and duties as are herein given to and assumed by Developer and Developer shall thereupon be released therefrom.

Section 9: ADDITIONAL LOTS OR UNITS. Developer reserves the right to add additional Lots or Units to Lochmere. The Developer reserves the right to change the plat of Lochmere to annex additional Lots or Units into the subdivision. Any Lots or Units annexed into Lochmere Subdivision shall be bound by this Declaration of Covenants and Restrictions and shall have all rights and responsibilities under these Declaration of Covenants and Restrictions. Further, Developer reserves the right to use any Lot or Unit owned by the Developer to use as an ingress and egress to adjacent property for future development.

Section 10: CHARLES PLACE. The Villas at Charles Place are a part of Lochmere subdivision. Article I of the Charles Place covenants includes a declaration that property is subject to Charles Place covenants and restrictions, “in addition to those covenants, conditions and restrictions of Lochmere Development.” Additionally, Article II, titled “Property Subject to this Declaration,” Section 1, “Existing Property,” states that the real property “is a part of Lochmere and therefore subject to its Declaration of Covenants, Conditions and Restrictions.” All Charles Place residents are required to pay Lochmere HOA dues pursuant to the Declaration of Covenants, Conditions and Restrictions for Villas at Charles Place.
